**Business Type:** For Sale  
**Bedrooms:** 2

**Plot size:** 1300  
**Location:** Ferreira do Zêzere  
**Energy Rating:** Isento

### Description

Flat land with 1360 square meters abutting a very calm road, it already has a rural construction with about 42 square meters on the site and has the feasibility of building about approximately 90 square meters of implantation being able to rise up to two floors (180 in total)

Land with cork oaks and olive trees giving it a very special charm, ideal for those who want a project but at the same time already have a base where they can spend some time, either in a caravan or even transform the rural construction into a small studio.

The locality where it is located is one of the most sought after areas both by foreigners and by people looking for a quiet place to escape the big urban centres.

The location is excellent, come and visit....
