Description

Nice urban plot of land with existing ruins located in a small hamlet of eight other properties in the Campelo area. A house could be built on the site of the existing ruins and there are other properties close by so services can be easily connected. There is fantastic sun exposure here so solar power is possible. There is space for a garden and vegetable plot or a pool if required.
The pretty town of Castanheira de Pera is 10 minutes drive with everything required for day to day living including small supermarkets, banks, a pharmacy, a health centre, schools, restaurants, a butcher and petrol stations. There is an indoor food market on a Saturday morning. The town of Figueira dos Vinhos is 20 minutes drive.
